

Professional care. The comfort of home.

The Home Health Service with a Heart

Our goal is to do whatever we can to enable you to stay in your home and assist you to become as independent as possible.

Our team

Vista Home Health Services, Inc. provides a wide range of simple and complex procedures and therapies through highly trained, caring nurses, physical therapists, speech therapists, occupational therapists, social workers and home health aides. Services are provided according to your diagnosis and physical needs.

Care that comes together

Our professional home health team coordinates your needs with hospitals, skilled nursing facilities, board and care facilities, senior living facilities, medical equipment companies and medical supply providers.

Start with a conversation

Call (661) 267-0097 to discuss your care needs.

Antelope Valley office

1543 E. Palmdale Blvd., Suite A

Palmdale, CA 93550

Support for your needs.

Skilled nursing

Treatment, education and assistance in managing your condition, with communication to your physician about your care and needs.

- IV medication and hydration; total parenteral nutrition (TPN) and IV immunoglobulin (IVIG)
- Tube feeding; wound care and wound vacuum therapy
- Ostomy care; Foley and suprapubic catheter care
- Diabetes education and insulin injections
- Laboratory draws and blood cultures; post-surgical care

Home rehabilitation

Physical, occupational and speech therapists visit your home. The duration and frequency of visits depend on medical necessity and a physician's order.

Physical therapy: development and restoration of muscle and joint function.

Occupational therapy: regaining self-care skills, including dressing and grooming.

Speech therapy: assistance with communication, swallowing problems and alternative ways to express needs and feelings.

Home health aides

Caring, trained, certified aides assist with bathing, grooming, incontinence care, light housekeeping and activities of daily living.

Social services

Help locating financial resources and community assistance, including home meal delivery and support groups.

We are here to help.
